

Bailey Avenue SIP Minutes

June 10, 2009

Present: Emily Sullivan, Peg McCartney, Helen Cook, Diane Thompson, Rowena Genier, Deb Conroy, Stephanie Girard, Karolyn Micheels

Move up Day

An idea was suggested that we have a move up day on the last day of school, June 25th from 8:45am to 9:10am. At this time the kindergarten and first grade students will go to their new classrooms and meet their new teachers for the next school year. The second graders will go out on the playground. This will be discussed at the next community meeting.

Open House for Fall 2009

SIP took a look at the concerns regarding last year's **Open House** and suggestions given by staff. The following has been proposed and will be presented to staff on the next community meeting.

- It will be a "*Meet and Greet Night*" with the children being their parents' tour guides. They will tour the school, go to their classrooms and special area rooms.
- The FSA will be in the cafeteria to meet with parents and to provide refreshments.
- First and Second Grade Teachers will set up an **orientation night** with their parents for a night in the beginning of September.
- At the orientation meeting teachers are asked to encourage parents to participate in the FSA. The FSA will try to develop a trifold to put in the orientation packets explaining what the FSA does and how parents can help.

Other

The **Technology Committee** is moving forward with a meeting the last week of school. Sarah has been doing some work in the lab to make it more user friendly and has talked to John Haubner about different ideas.

It was decided that at our monthly **faculty meeting**, DWEIC and PIC information will be presented along with discipline and attendance data.
