

**Plattsburgh City School District
Building Goals**

Building:	<u>Oak Street Elementary School</u>			
School Year:	<u>2009-2010</u>			
Goal Statement	Implementation of RTI.			
# 1				
Objectives	Action Plans	Person(s) Responsible	Target Date(s)	Status/Outcome
Continuation with monthly grade level meetings.	Meetings will be based on gathering and analyzing data to make decisions in instruction.	All teaching staff	Ongoing	
Review all LARN information at the 3 specified benchmarking intervals for grades 3-5.	Identify students in need of RTI or CST services by analyzing benchmark data. Creation of action plans for these children will occur. Report card reviews will occur at each marking term.	All teaching staff	September, January and May	
Provide opportunities for teachers to observe active reading instruction by colleagues.	This will continue to strengthen our professional development of the 5 components of reading.	All teaching staff	Ongoing	
Teachers and TAs trained to administer BRI's and DIBELS for benchmarking and progress monitoring purposes.	This data will assist CST in determining student need for interventions.	All TA's 4th and 5th grade teachers.	Ongoing
